Your partner in healthcare products

Mediq is a trusted partner for hospitals, care institutions, general practitioners, obstetrics, pharmacies, home care, (pharmaceutical) wholesalers and international partners, who represent our brands in many countries around the world. You can rely on a broad range of products and services, always aligned to the challenges healthcare professionals face on a daily basis.

Total solution provider
We understand your challenges as a health care professional. That is why we offer solutions in know-how, efficiency and assortment. Moreover, we support you by providing the relevant products, services and management information that matter to you. So you can make the right choices.

We are 100 % committed to the quality and safety in our processes, products and services that we provide to you. To ensure a continuous focus on quality and safety, we embed our quality system in NEN-EN-ISO 9001:2015 and NEN-EN-ISO 13485:2016 certifications.

Mediq Own Brands
We are committed to the quality and affordability of care and contribute to this by developing affordable products that meet the highest standards. Under the brand names Klinion, Absorin, Curion en Cenaman we develop and manufacture products for you that are distinctive in quality, functionality and competitive pricing and help us realise our ambition to improve the lives of people with chronic diseases. We offer you products for the following care areas:

- Wound Care
- Incontinence Absorbing
- Continence Drainage
- Diabetes Care
- Medical Nutrition
- Personal Care
- Personal Protection
- Facility Items

In an increasing number of countries the Mediq brands are performing and positioned as A-brands with a more attractive price-quality ratio. In order to keep our product range up to date we listen carefully to our customers and partners and closely follow product innovations and trends.

For more information about our own brands please view our [product catalog](#).
